

REMARKS

This amendment is supplemental to the amendment mailed January 22, 2009. Please enter the previous amendment prior to making the amendments shown in this document.

In claim 1, the words --both produced positive results-- are inserted after the last line of the claim. These words were inadvertently omitted from the amended claim language.

In claim 26, the word "and" has been deleted between the last two paragraphs.

In claim 33, at line 21, the word "anew" has been replaced with --a new-- to correct a typographical error.

These amendments are minor in nature and do not affect the scope of the claims. Approval is respectfully requested, and entry of this amendment, along with subsequent passage of the claims to allowance is earnestly solicited.

Respectfully submitted,
